EDUCATION

- **Gyan Ganga College of Technology** — *2021-2025*
  B.Tech CSE — CGPA: 7.99
- **St. Joseph's Convent Sr. Sec. Girls School** — *2020-21*
  12th, CBSE, Madhya Pradesh — Percentage: 79
- **St. Joseph's Convent Sr. Sec. Girls School** — *2018-19*
  10th, CBSE, Madhya Pradesh — Percentage: 83

EXPERIENCE

- **GeeksforGeeks** — *April 2024 - Present*
  INTERN - Technical Content Writer — Remote
  – As a Technical Writing Intern at GeeksforGeeks (GFG), I authored comprehensive articles on AWS services such as VPC Route Tables, well architected framework. Through clear and concise writing, I provided detailed explanations and practical examples to help readers understand complex technical concepts.
- **Oasis Infobyte** — *November 2023 - December 2023*
  INTERN - Web Developer and Designing — Remote
  – Experience a real work and develop, optimizing and maintaining the website development projects from scratch using web technology like HTML, CSS and Bootstrap. Developed all platform responsive web pages.
  – Responsible for launching a new website once every week, and for giving existing once a uplift. All developed projects are uploaded my Github Repository.

PERSONAL PROJECTS

- **Serverless Web Application on AWS**
  https://github.com/archiee1/Serverless-Web-Application-on-AWS.git
  * Tools & technologies used: AWS Cloud, VS Code, AWS Lambda, ROUTE 53, Amazon S3, Cloudfront
  * A serverless web application using AWS Lambda, DynamoDB and Amazon S3. The application will allow users to create, read, update and delete (CRUD) items from DynamoDB table.
- **Personal Portfolio**
  https://github.com/archiee1/Portfolio.git
  * Tools & technologies used: HTML5 , CSS, VS Code
  * A portfolio is a compilation of materials that exemplifies your beliefs, skills, qualifications, education, training, and experiences. It provides insight into your personality and work ethic.
  * A portfolio website is generally a static website featuring work samples and other details as explained above. It is closely related to Online Resume or C.V.
- **E-commerce Website**
  https://github.com/archiee1/Ecommerce-Website.git
  * Tools & technologies used: HTML, CSS, Bootstrap, JavaScript, VS Code
  * Designed and implemented a fully functional static e-commerce website with HTML and CSS, showcasing expertise in front-end development. Incorporated essential pages such as home, about us, contact us, and a streamlined add to cart feature, highlighting a commitment to user-friendly design.
